

CHAIR OF THE SENATE NATURAL RESOURCES AND WATER COMMITTEE **SENATOR FRAN PAVLEY**

You are invited to an informational Hearing:

The Los Angeles River and its San Fernando Valley Watershed: PROGRESS & OPPORTUNITY

**Friday, December 13, 2013
10:00 a.m. – Noon**

**Kaiser Permanente Woodland Hills
Auditoriums A, B & C**

5601 De Soto Ave., Woodland Hills, CA 91367

*(Free parking available in the parking structure
or lots. Use Entrance 5 to access auditoriums.)*

Restoring and revitalizing the Los Angeles River is a recognized goal and will provide multiple benefits to the surrounding communities. This hearing will focus on the San Fernando Valley Watershed of the Los Angeles River with updates on current and planned projects, potential funding sources, multi-benefit solutions including water quality and supply issues, and the contribution of River revitalization to mitigating climate change.

PLEASE NOTE: RSVPs requested, but not required.
